

Approved Online Courses and Webinars Continuing Education Unit (CEU) Opportunities for OWTS Professionals

MAXIMUM NUMBER OF CEUs from ONLINE SOURCES

A maximum of six (6) of the twelve (12) required CEUs may be obtained from online sources. 12 CEUs are required in a three-year license cycle (4 CEUs per year since a license was issued, or last renewed).

RETAKEING COURSES/WEBINARS

Courses may be retaken and the CEUs applied to license renewal if there is at least one-year between the dates.

DOCUMENTATION OF PARTICIPATION/COMPLETION

The certificate of participation or successful completion must be submitted with the OWTS designer license renewal application form.

CEU APPROVAL REQUESTS

Additional online courses will be reviewed for CEU value as requested. Requests for approval of additional courses for OWTS Licensing CEUs may be submitted to the department using the request form provided on the DEM OWTS website: <http://www.dem.ri.gov/programs/water/owts/licensing/ctgeduc.php>

Online courses and webinars will be reviewed for CEU value according to the applicability of the content to the activities performed under RIDEM-issued OWTS licenses and assigned at a rate of approximately 1/4 CEU per hour of the course or webinar.

APPROVED ONLINE COURSES/WEBINARS

Online courses and webinars that have been reviewed by RIDEM and assigned CEUs are listed in the table below.

| Course Code | Title | OWTS License Class Applicability | CEU(s) |
|---|--|----------------------------------|--------|
| https://www.redvector.com/ | | | |
| Red Vector 5521 | Basics of Water Resources - Wetland Basics | CI-I, II, III & IV | 1 |
| Red Vector 10197 | Biofilters: A Natural Approach to Stormwater Pollutant Removal | CI-I, II, III & IV | 1 |
| Red Vector 4932 | Constructed Wetlands: Freewater Surface Wetlands | CI-I, II, III & IV | 1 |
| Red Vector 5954 | A Wetland Primer, Intermediate | CI-I, II, III & IV | 1 |
| Red Vector 6011 | A Wetland Primer, Advanced | CI-I, II, III & IV | 1 |
| Red Vector 2477 | Groundwater Hydrology | CI-I, II, III & IV | 2 |
| Red Vector 7320 | Low Pressure Sewer Design | CI-I, II, & III | 1 |
| Red Vector 2552 | Wastewater Treatment, Disinfection | CI-I, II, & III | 1 |
| Red Vector 10179 | Green Infrastructure 6: Best Practices for Stormwater Mgt. | CI-I, II, & III | 1 |
| Red Vector 5659 | EPA On-Site Wastewater Treatment Processes & Systems | CI-I, II, & III | 1 |
| Red Vector 6088 | EPA On-Site Wastewater Treatment Systems Mgt. | CI-I, II, & III | 1 |
| Red Vector 11340AW | Design of Utility Infrastructure | CI-I, II, & III | 1 |
| Red Vector 11052AW | Waste Treatment Systems | CI-I, II, & III | 1 |
| RI Stormwater Solutions - Soil Erosion and Sediment Control Online Training | | | |
